Part III DETAILED ACTION

Information Disclosure Statement

1. All copies of the initialed Information Disclosure Statements (paper #s 2,4 and 8, filed 11/7/97, 3/12/98, and 2/17/99 respectively), is attached to this Office Action.

Allowable Subject Matter

2. Claims 1-8, and 10-13 are allowable over the prior art of record.
3. The following is an Examiner's statement of reasons for the indication of allowable subject matter:

Claims 1-8, and 10-13 are allowable over the prior art of record. The applicant teaches a speech control apparatus connected to a terminal through a communications network. The newly amended independent claims contain the limitation of "processing means for recognizing the received speech data, converting the recognized speech data into document data, extracting a specific word from the converted document data, and generating formatted document data having predetermined format by inserting the extracted word into a specified

field of converted document data" is not taught by the cited prior art. The prior art fails to show or fairly suggest the claimed combination of features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
